

INSURANCE CLAIMS ADJUSTERS

OCA Global is a private business group –with headquarters in Spain– dedicated to inspection, quality control, certification, testing, consulting and training activities.

OCA Global has different companies accredited as ISO 17020, 17025 and 17021 for multiple standards and is internationally recognised by ILAC. We offer a wide range of services to all types of industries, sectors and companies.

These services are designed to help our customers improve the efficiency of their processes, projects and products; as well as to reduce risks, control the quality, verify the amount and comply with the necessary regulatory requirements.

OCA Global, currently with more than 2,000 employees around the world, has more than 80 offices located in 13 countries (Spain, Andorra, Chile, Peru, Mexico, Colombia, Bolivia, Morocco, Egypt, South Africa, United Arab Emirates, Saudi Arabia and India). In addition, with the collaboration of a wide network of partners, we offer our services in more than 50 countries.

Our more than 35 years of experience offering inspection, certification, testing, and safety and health services, and more than 230,000 satisfied customers endorse us.

The company was founded in 2010 with the aim of consolidating itself as the inspection and certification benchmark company of the 21st century and as an alternative to the traditional entities in the sector.
